2. DISCUSSION

2.01 Design-Bid-Build Project Update

Mr. Pinkerton introduced architect Gary Gery of DLR Group, who walked the Board through designs and discussed projects for MBHS/SLHS. Board members had the opportunity to question and clarify specific portions of the plans. Flexibility is stressed in the design so that future uses are both maximized and creative. Mr. Gery explained some of the design changes at SLHS resulting from reviews by the Department of the State Architect. They will require the existing elevator to be replaced. The original idea of placing the cafeteria on the second floor was revised to avoid the need for a very expensive concrete sheer wall. It will remain on the ground level, and the second floor used to repurpose the library. For Morro Bay High School, he reviewed all the buildings being remodeled and how those would be envisioned.

2.02 Site Tour

The site tour began at 12:30 p.m.

3. ADJOURNMENT - The meeting adjourned at 12:50 p.m., to meet again:

3.01 April 11, 2017 - Regular Meeting @ J2; May 2, 2017 - Regular Meeting @ J2; thence May 11, 2017 - Measure D Study Session
